Dear C.F.G. & H.S. members:

This summer, the Postal Service created many new zip codes to aid in mail distribution. The only way we (the editors of Buried Treasures and "Treasure Chest News," the Membership Chairman, and the Board of Directors) can ensure that you receive our publications and any notices is for you to inform us of any change in your zip code. Please let us know by sending one of the postal supplied "change of address" cards or by clipping the bottom portion of this note and mailing it to the Society's Post Office Box. Please inform us as soon as possible so you won't miss any of OUR news!

PRESIDENT'S MESSAGE

Springtime is here and Summer is just around the corner. It's not too soon to start planning the research trips to the County courthouses, City halls, cemeteries, libraries and relatives' homes. Just as nature renews itself during the Spring season, so should we renew our quest for our ancestors.

If you have no plans to venture far from home, then avail yourself of the resources nearby. There are excellent repositories at the Morman Branch Library and in the Genealogy Department of the Orlando Public Library.

As the space has expanded for the Genealogy Department at the Orlando Public Library, so have the staff. We welcome Mrs. Eleanor Crawford as Head of the Department. Mrs. Eileen Willis, former Department Head, remains on staff and is enjoying more time for patron interaction and research.

We also welcome a photocopying machine to the Genealogy Department of the library. And, we look forward to new acquisitions purchased with proceeds from the ORLANDO '86 Federation of Genealogical Societies' Conference.

Best wishes for renewed research efforts!

In January of this year a young man came to speak at our Society meeting who told, in detail, about the trials and tribulations of researching and writing a thesis which eventually turned into a hardbound book. The author, Steve Valdespino (son of former member, June Pauley Valdespino) became an excited and avid genealogist through his years of research and certainly enchanted the attendees with his foibles, determination and dedication to see his project to a conclusion. The powers that be always tell a perspective author to write about something you know. Steve did just that by writing about a little known pilgrim leader . . . "Timothy Hatherly and The Plymouth Colony Pilgrims." Before going to press, his manuscript had very favorable reviews from the Scituate Historical Society, Massachusetts; The New England Historic and Genealogical Society, Boston, Massachusetts; and the President of the University of Central Florida, Orlando (Steve's alma mater). The following is an outline of his chapters, some colonial family surnames within the text and the author's relationship to Timothy Hatherly:

KNOW YOUR MOST COMMON TYPE OF LAND RECORDS:

- ABSTRACT OF TITLE - A condensed history of the title to a piece of real estate; includes legal description of the property; now mostly title insurance policies used.
- AGREEMENT - Various agreements between individual parties affecting the use of the land, such as an easement; similar to a contract.
- ANTENUPTIAL CONTRACT - Contract executed before a couple marries, wherein the property rights of one or the other or both are delineated; usually found prior to a second marriage, protecting the property rights of the children of a previous marriage.
- ASSIGNMENT - Assignment of certain property rights, such as an unexpired term of a lease or a life estate, etc.
- BILL OF SALE - Usually used in ways other than real estate, such as the buying and selling of slaves; often found in land books.
- DEED - Most used record; document by which title in real estate property is transferred from one person to another; different types of deeds.
- DEPOSITION - Written testimony of a witness to a certain matter. Most often depositions are used to verify land titles & help settle boundary disputes, etc.
- DOWER - The right to a life estate which the widow had in the real estate of her deceased husband on any property he procured during their marriage; even though the man sold the land, his widow could come back after his death & legally claim dower in it. Consequently, when a person bought a piece of land, he was usually careful to see that the wife signed a release of her dower rights.
- GIFT DEED - Deed whereby real property is transferred without normal consideration (money), usually from a parent to his child.
- HOMESTEAD ENTRIES - Documents which homesteaders were required to file with the nearest public land office; included homestead application, certificate of publication of intention to make a claim, the homestead proof consisting of two witnesses (sometimes more) & the testimony of the claimant, & when appropriate, a copy of naturalization proceedings or a copy of a Union veteran's discharge certificate.
- LEASE - An agreement which creates a landlord-tenant relationship; the rights of each party are defined within it; its duration is for a limited period of time; a leasehold.
- LIEN - A claim by one party upon the property of another for security in the payment of a debt.
- MARRIAGE SETTLEMENT - Either an antenuptial contract or a postnuptial contract.
- MORTGAGE - A conditional transfer of legal title to real property as security for payment of a debt; becomes void when the debt is paid; regarded as a lien on the property.

PARTITION - When two or more persons hold a piece of property as co-owners (such as undivided property left them in a probate settlement) & they wish to divide that property between or among them, a Partition (or a Deed of Partition) is made & recorded. A partition shows the separate parts taken by each; a joint title is divided into separate titles; sometimes called a division.

PETITION - A request made to a court for action in a matter not the subject of a suit; commonly found in land records.

POWER OF ATTORNEY - When a person is unable to act for himself in a matter, he appoints another to act for him -- the document by which he does so is called a Power of Attorney & is an excellent tool for finding a place of residence.

QUITCLAIM DEED - An instrument by which a person releases all title, interest, or claim in certain property without making any warrants thereto; seller does not warrant a clear or valid title.

RELEASE - Document by which a person gives up his right to something in which he has a just claim; must be a person who has either possession or interest in the property, such as a co-tenant of undivided lands transferring his rights to another co-tenant; a mortgage holder releasing his rights when the debt is paid, etc.

SURRENDER - Involves the yielding or giving up of a lease before its term has expired; made with the mutual consent of both parties.

TRUST DEED - In most states a type of mortgage; places the title to the property in one or more trustees to secure the payment of a debt; allows the property to be sold in case of default & for the application of the net proceeds from that sale to the payment of debts, turning all surplus back to the debtor.

WARRANTY DEED - Most important & common type of deed; grantor warrants by covenant the title of the property he sells; should the title become faulty for any reason, the grantor (or his heirs) may be sued on the warranty.

GRANTEE - The person buying the property.

GRANTOR - The person selling the property.

When checking land indexes, be sure to use BOTH the Grantee & Grantor indexes!

A SECTION OF LAND

1 rod = 16½ feet 1 chain = 100 links
 1 chain = 4 rods 1 acre = 160 sq. rods
 1 chain = 66 feet 1 section = 640 acres
 5280 feet = 320 rods

This is a kind of legal shorthand for deeds, wills, tax notices, etc. To put into words the symbols in the top righthand strip, $W\frac{1}{2}W\frac{1}{2}NW\frac{1}{4}$, say, "The west half of the west half of the northwest quarter of Section . . ." or for $W\frac{1}{4}NW\frac{1}{4}$, say, "The west quarter of the northwest quarter of Section . . ."

Tri-City Genealogical Society Bulletin, Vol. 24, No. 3, July–October 1984

In researching old land claims or deeds we often are at a loss to understand the terminology and its meanings. This same topic was presented by Rhoda Rollin at a CFG&HS Workshop about two years ago. I'm sure many of us missed it. Here is a pictorial example of the topic which can help all of us in our researches.

VERBAL PICTURES

We are learning about our ancestors and their many and varied characteristics. Have you wondered how your ancestors appeared? how they existed? what kind of a home did they have? what were their likes and dislikes in their time? Could you compile a list of facts you have gathered in your researching and be able to put a picture together in your mind of what they looked like, how they lived, how they thrived, and what made them happy? Maybe after reading the following descriptions you would like to try! Your list may be short now but from time to time in your conversations with relatives you can add to your verbal picture.

GRANDMA MANLOVE

5 ft 3 in tall
short and dumpy
brown eyes

very neat and clean
extra good cook
very easy going

weighed about 140-150 lbs

used too much spices, especially cinnamon according to my mother

I loved her dearly and I think that is why I have several memories of her.

When Grandpa and she were married, he told her (my Dad and Mother both told me this that her place was in the home, cooking, washing, cleaning & raising children, she raised 7.

I can remember my aunts telling me that she was a lovable person.

Grandad said one time, she never told him what to do.

Grandma had a lovely personality.

GRANDMA COPELAND

About 5 ft 7 in tall, brown eyes, weighed around 160 lbs.
Tall and well built

Very religious
Very strict

She wouldn't let any children play in the house, they were to be quiet and the girls were to help her.

Tried to be bossy, tried to tell Grandad what to do, etc. He seldom listened.

She said a girl or woman's place was in the house, sewing, cooking, etc.

Also raising babies, she had 9 and raised a grandson.

I like her, but didn't have the love for her as I did my other grandma.

The grandmas were very different from each other (personality)

She seldom ever smiled, was very grim.

She made lots of biscuits, bread, etc.

They had Prayer service every AM & evening.

She was very neat and clean

As a rule she listened to Grandad

Grandma had a very stern personality, all business (I guess that is the way you would say it).

I do not know why the D was dropped from Copeland but Grandad sons (some of them) dropped the D then their sons dropped the E.

Johnny dropped the E. I also see in mom's scrapbook, some of her brothers spelled it 3 different ways.

APRIL

In the ancient Alban calendar in which the year had ten months, April stood first, and had thirty-six days. In the calendar of Romulus it was the second month and had thirty days. Numa's twelve-month calendar assigned it the fourth place, with twenty-nine days, and so it remained till the calendar reformation of Julius Caesar, when it recovered its former thirty days, which it continues to enjoy.

MAY

May was the second month in the old Alban calendar, the third in that of Romulus, and the fifth in the one instituted by Numa Pompilius--a position it has held from then until the present. It consisted of twenty-two days in the Alban, and of thirty-one in Romulus' calendar; Numa deprived it of one day, which Julius Caesar then restored, and it has remained with thirty-one since. The month is probably named in honour of Maia, the mother of Jupiter. Anglo-Saxons claimed this month meant cows could give milk three times daily when feeding on the new, spring grass.

National Society of Old Plymouth Colony Descendants

If you have an ancestor who came to the Old Plymouth Colony prior to the year 1641, you are eligible for membership in this Society.

Our objects are to promote interest in the study of history of the early Pilgrims; to assemble and preserve the records of their descendants; to mark historic spots in the Old Colony and to collect and preserve the records pertaining thereto; to further in all practicable ways the present and future interests of the Old Colony. We strive also to cherish, maintain and extend the institutions of American freedom; to foster true patriotism and love of Country and to aid in securing for mankind all the blessings of liberty.

This unique historical and heritage group has no annual dues. The modest entrance fee entitles you to Life Membership in the Society. Organized in 1910, the roll of members comes from a majority of the fifty states of the Union. The Society has a limited endowment, and no indebtedness. By custom, one meeting a year is held in Plymouth during May, and one meeting near Boston during November.

In addition to the privilege of being a member of the Society, we believe it is an honor and an opportunity for a Pilgrim Descendant to join with us in carrying out our expressed purposes.

If you consider you are eligible, we cordially invite you to enroll and enjoy the friendliness of our membership. A letter or postcard will bring you an application blank.

Lot No. 20 Area 0

Elenor WARNER, 2/14/1814-6/18/1847; Gravestone spells "Eleanor," family Bible spells "Ellenor;" first wife of Joseph P. WARNER; maiden name MASON.

Joseph P. WARNER, d. Dec. 7, 1853; Richard WARNER may have been a brother of Joseph P. WARNER; probably not an uncle, or possible a cousin. Thomas WARNER probably Joseph P. WARNER's father, 6/6/1780-5/12 or 22/1828.

A. M. HONEYWELL; possibly a child of Jane HELM, 10/11/1804-10/30/1898, who was probably sister of Mary Ann HELM, wife of Thomas WARNER and mother of Joseph P. WARNER.

Virginia A. WARNER; probably person listed in family Bible as Ann Virginia WARNER, 10/22/1852-4/25/1855, daughter of Joseph P. & Eliza BOOKE WARNER.

Rachel McNEIR; probably sister of Thomas WARNER; married William McNAIR, according to family history, which lists her birth date as 7/23/1778; grave marker spells surname "McNAIR," and indicates death date as 1871, "in the 76th year of her age." If marker is correct, Rachel McNair's birth year would be 1795 or 1796; however, this marker also memorializes Miss Francis A. FISHER, showing her date of death as 1/11/1871. Miss FISHER is shown by cemetery records as being buried 1/12/1874.

J. P. WARNER; Joseph P. WARNER, son of Thomas WARNER, father of Laura COOKE WARNER BOND. Joseph P. WARNER was born 9/8/1811 and probably died 9/30/1862, or within several days thereof. Family Bible shows his death as 9/30/1863, and grave marker shows death date as 9/30/1864. Reason for this conclusion is that family Bible has a newspaper clipping listing the death of Georgeanna BAKER WARNER, "daughter of the late Major J. P. and Eliza WARNER," of scarlet fever, on 1/22/1863.

Georgeanne BAKER WARNER, 9/9/1856-1/22/1863, daughter of Joseph P. and Eliza Anne COOKE WARNER.

Mary Jane ROSS; probably Mary Jane WARNER ROSS, 12/14/1839-6/7/1866, daughter of Joseph P. and Eleanor MASON WARNER, and mother of Miles WARNER ROSS (b. 12/14/1865). Mary Jane WARNER married William E. W. ROSS on 6/9/1864.

Francis A. FISHER; Miss FISHER's relationship is unknown. Grave marker lists her as Miss Francis A. FISHER.

Jane HONEYWELL; probably Jane HELM HONEYWELL, 10/11/1804-10/30/1898; wife of C. H. H.

Eliza A. WARNER; Eliza Anne COOKE WARNER, second wife of Joseph P. WARNER, married 11/27/1849; mother of Laura COOKE WARNER BOND; grandmother of Alice May BOND MOORE; great-grandmother of William HANSON MOORE, III, Eugene Charles MOORE, Marietta MOORE GRAYBILL, and Alice May MOORE TOWNER. Of the great-grandchildren, all except Eugene Charles MOORE are living at this writing.

Douglas E. GAWTHORPE; Douglas Englar GARTHROP (misspelled in cemetery record), 11/3/1903-4/4/1906; son of L. Alfred GAWTHROP and Laura KEIRLE BOND GAWTHROP. Laura K. B. GAWTHROP was the daughter of Laura COOKE WARNER BOND, and the granddaughter of Joseph P. WARNER.

Helen Beck BOND, 10/16/1879-5/24/1910, was the first wife of Lewis Henry BOND (also known as L. Harry BOND); L. Harry BOND subsequently remarried Minnie MARTIEN, divorced her, and was again married, dates unknown; he was born 9/14/1878, died 3/20/1957.

Donald Hill GAWTHROP, 2/14/1900-6/30/1920, was the son of Laura KEIRLE BOND GAWTHROP and L. Alfred GAWTHROP.

Charles Henry BOND, 9/23/1848-9/25/1928, married Laura COOKE WARNER (daughter of Joseph P. WARNER) on 10/26/1871, and was the father of Marietta Jeanette BOND, Alice May BOND MOORE, Laura KEIRLE BOND GAWTHROP, Lewis Henry BOND, and Jessie WARNER BOND WARREN.

Laura COOKE WARNER BOND, 1/22/1851-9/9/1929, daughter of Joseph P. WARNER and his second wife, Eliza Anne COOKE.

Charles A. HONEYWELL; possible a sibling of A. M. HONEYWELL, listed under A. M. HONEYWELL. "S.B." probably means "stillborn."

Geo. M. WARREN; husband of Jessie WARNER BOND WARREN; birthdate unknown; no children of this marriage, although George M. WARREN had a daughter by a previous marriage.

Marietta J. BOND; marietta Jeanette BOND, 10/22/1872-11/23/1958; see Charles Henry BOND.

Jessie WARNER WARREN; Jessir WARNER BOND WARREN, 9/13/1880-5/28/1962; see Charles Henry BOND and Geo. M. WARREN.

Thank you Winifred Harris

JUNE and WEDDINGS

June is considered to be the month most propitious for weddings suggesting that it is indeed named after Juno, for as well as being the queen of the Gods in the Roman pantheon, she was the protector of marriages and of married women. Thus the Romans considered June the best month of the year in which to get married, especially if it could be arranged so that the wedding day was the day of the full moon, or the conjunction of the sun and the moon.

This is the best month to enter marriage state,
To try the love each bears unto his mate;
For if that they do now lay close together,
No doubt they'll do the same in colder weather.

MAN WHO MARRIED AND ABUSED NELLIE GRANT, DIES SUDDENLY

London, Feb. 6 - News of the death of Algernon Charles Sartoris, husband of Grant's daughter Nellie, arrived in London today and excited much interest in American circles.

Mr. Sartoris died at Capri on February 3. I saw Mrs. Sartories today. She could add but little to the bare news, as she does not yet know of the cause of death of the man who brought her so much sorrow. It is not likely to make any difference in her mode of life. She will continue to live in London, attending to the education of her three children.

CREED

OUR LIVES are the gift of our many antecedents.
 OUR GOALS are to perpetuate their names and activities.
 OUR LABOR is to gather and to preserve that left to us,
 OUR LOVE to extend both backward and forward so that
 OUR CHILDREN may feel close to their folk and their land.
 OUR DUTY is to share all gathered information, while
 OUR HOPE is to interest others and to assist each member.

"The lines are fallen unto me in pleasant places; yea, I have a Godly heritage."
